Homecoming Queen
Carilla Hollingshed

Each year, as homecoming approaches, the anticipation of crowning a new king and queen mounts. After weeks of stickers and posters, the moment comes. The crowd sits in silence as the past king and queen approach the field to crown the new king and queen. Finally, it's announced, "The 2004-2005 Homecoming king and queen are ... Jonathan Martinez and Carla Hollingshed." PCHS would like to congratulate these two as well as the rest of the court for their hard work and dedication to PCHS school spirit.

TEACHER OF THE YEAR

Mrs. Elliott- Greene

Mrs. Elliott-Greene has been named Teacher of The Year for the 2004-2005 school year. PCHS nominated her because she has all the qualities of a dedicated and hardworking teacher. Not only is Peach County lucky to have her, but her students are also proud to have her as a teacher. She is an excellent asset to this school. Thanks a lot Mrs. Elliott-Greene for constantly striving for excellence! You give us a lot to look up to here in the halls of Peach County High!

Dedication

Jim Finch

Every year the seniors choose a staff member from PCH that has made their time in the halls of Peach County better, this year they chose Coach Finch. Interestingly enough, Mr. Finch also moved from just being a teacher to being an assistant principal this year. Whatever he is doing, he is apparently making a difference in the lives of many to get the vote from seniors this year for the dedication. Thanks for your perseverance and strength to see us through, Coach Finch; we appreciate everything you do!!!!

His loving family is made up of wife, Kelli, daughter, Kennedy, and son, Jimbo.

He is a dad

and a coach

and his patience and

dedication shows through.

Get Back! Get Back! Tobacco is WACK!	Katie Adamson President	Deana Carlson Sponsor	Character Society 2004 - 2005	Gail Poole Sponsor	Tiffany Hatchett Secretary	Character Coyote says  Tobacco Reeks!

Top 10 Reasons NOT To Use Tobacco

10. Tobacco yellows and rots your teeth.
9. Smoking wrinkles your lips and face.
8. People who dip & chew look stupid and taste gross – lumpy lips and slimy brown juice, ugh! And kissing a smoker is like kissing an ash tray!
7. Nicotine is a poison; one drop of pure nicotine will kill the average-sized person.
6. Smokeless tobacco causes cancer of the mouth, tongue and throat (causing disfigurement, use of tracheas for speech, and death).
5. 43 of the 4,000 chemicals in tobacco products are known to cause cancer.
4. Cancer is a terrible, painful way to die.
3. 1 of every 3 new smokers will eventually die from tobacco use.
2. Innocent fetuses, babies and children suffer and die from secondhand smoke.
1. You may kill the very person you love the most. (53,000 people die each year from secondhand smoke – more than 6 people die every hour because of someone else who thinks it's his/her right to smoke)

56 people will die before the hour is up because of tobacco

70 percent of teens don't smoke – join the crowd

"Trojan Foes-BEWARE!"

Senior Poem

Upon the day of graduation,
It will be a grand celebration!
Out on this football field our memories reel
Off our head of the days we've spent here
And times that we've had here.

Through these four years of high school,
We have made friends and lost them.
We have had relationships and broken them,
But you see the one thing we have gained
And received is a higher education.

The teachers, staff, and faculty have influenced us.
Our friends, family, and religion have influenced us.
Up until this point we might not have known where
We were going or what we would become.
There is one thing we have that will not pass us by
OUR FUTURE!

Our future is coming and its not far away
It starts the very next day, the next hour,
The next minute, the next second!
You may have daydreamed in class of where you
Will be in the next ten years,
But you see you have a choice of where you will go
And what you will do.

So I ask you now class of 2005,
What will you do with your choices and decisions?
What will you do with YOUR FUTURE?
It will be a grand celebration,
Upon the day of graduation!

First, green gooshy diapers and gas initiated smiles,
then the little brown eyed blonde totters forth
for her first of countless miles.
Riding life like a surfboard,
leaving "I can't" in the wake.
She looks fleetingly at the easy road,
then turns to the path she'll take.
It's hard to be a parent
and lose the tenuous strings of our kite,
but, oh, the joyful sadness, as her gossamer wings take flight.
All our hearts....Mama, Daddy, and Meri

Seventeen years of wiping your nose
Seventeen years of washing your clothes
Seventeen years of watching you play
Seventeen years has come down to this day

Your heart is excited
You're happy and glad
My heart is heavy
Scared and sad

Cause my little girl is all grown
Going out into the world - anyway from home
Just remember your friends and the good times you've had
But most of all remember "I love you." - From Dad

Just like a butterfly emerging from its cocoon
You have become a beautiful, talented young lady
God has given you wings
So use them to fly high and achieve your dreams
We love you and are so proud of you

SENIORS 2005

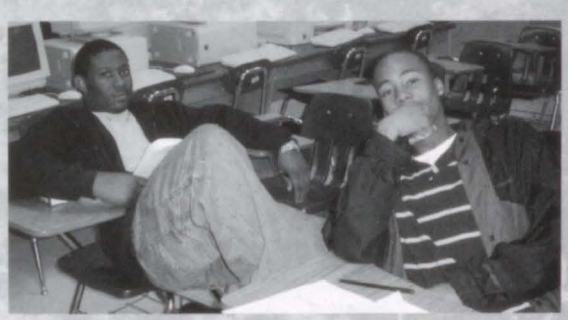

Tunisha Latrell Clark

I have always been proud of you since the moment I first saw you, but now just looking at all that you have accomplished, I am even more proud of the sweet young lady that you have become. You've always had a positive outlook on life even as a little girl, and it was then that I knew you were special with a gift that couldn't be replaced with anything or anybody. I thank God for giving me a special gift in my life. You and I have been through a lot together, yet somehow everything has always turned out alright. Maybe it's because we understand each other better than we think we do, maybe we're more alike than we realize. Whatever the reason, it means there's a bond between us that's deeper and stronger than any changes or challenges we've faced, a bond that's not just parent and child but one that's also heart to heart. Yes, you have touched many lives as a child, now as a young lady I believe the lives you've touched will always be remembered by your pleasing and pleasant personality. Just keep making me proud in all that you do and success will be your reward. Remember to keep God first in your life no matter what challenges life brings your way.

We love you with all our hearts,

Jessica ,

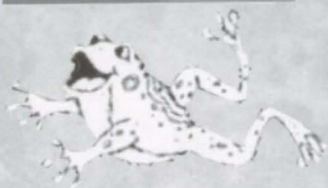

Little did I realize the day you first entered my life how important you would become to me. From an infant, to a toddler, to a little girl, teenager, and then a smart, savy, and beautiful young woman, each phase brought such joy and through you I've discovered a whole new world. You sparkle with the very essence of life. Your happiness and joy affects all you meet. You have touched my life in the most unexpected and special ways. You have had your share of ups and downs, but your enthusiasm for life always landed you on top. And that same enthusiasm and your sense of right and wrong will serve you well. I am proud of you and love you beyond measure.

Our love for you is so real!

Jeff we just want you to always remember that our love for you will never waver. We've always felt you are our son who is after "God's own heart". We are eagerly waiting to see how he continues to direct your life. You are already being used mightily and you continue to both amaze us and make us extremely proud.

Love Mom and Dad

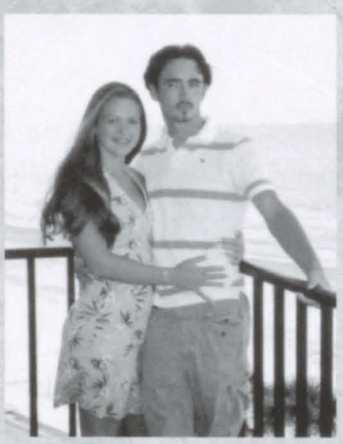

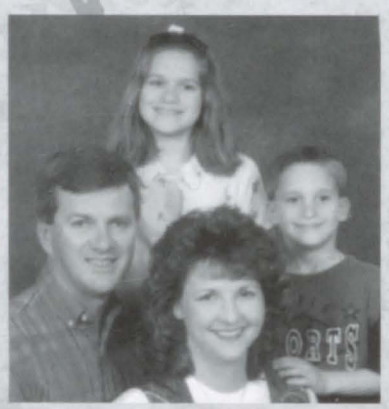

Kaycee Alice Goolsby

God gave me the best birthday gift...You! Your dad and I are so proud of you. Your brother has a big sister he can look up to and be so proud of. Your heart is so big, and your smile gets bigger everyday.

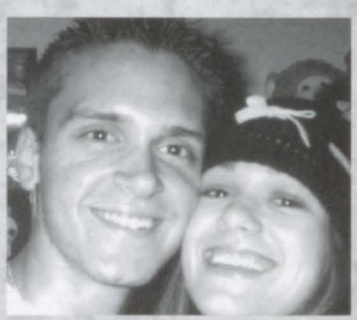

Keep the love in your heart and that smile on your face and with God, you'll go far in life and will always be loved by your whole family and friends.

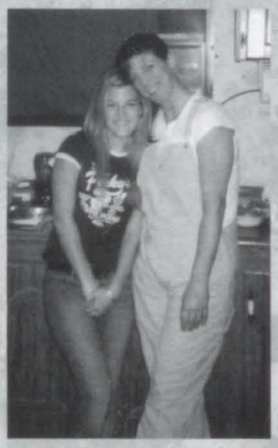

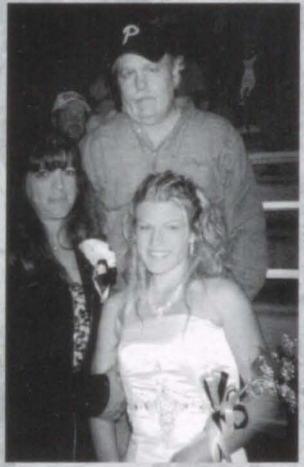

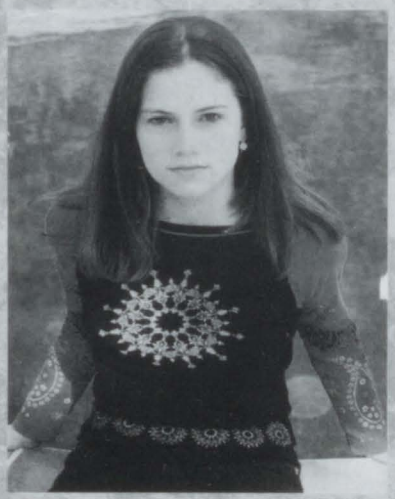

Casey Leigh Foster

My how time flies. You have brought so much pleasure to our life with each phase of yours. God definately blessed us when we had you. You will never know how deep a parent's love is until you have a child of your own. Rocking you to sleep, the 1st day of school, moving to middle school, your 1st boyfriend, highschool, freshman and senior trojanette, youth trips, football games, and proms. About midway through 2002, you got me going to church where I got saved and baptized, so always remember you can be a wonderful influence on someone who really needs it. Never give up on your future or let anyone stand in your way. We love you and will always be here for you.

Congratulations!

Love, Mama and Daddy

Leslie Harden

Kris,

I remember the first day of kindergarten, you cried because you didn't want me to let you go. Now I am the one crying, because it is time to let you go begin a new chapter in your life. We are so proud of you. You have grown into a beautiful and intelligent young woman. I know that you will be successful in whatever you decide to do in life. We love you very much and will always be here to support you.

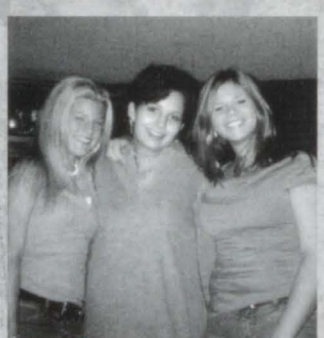

Love,
Mom, Dad, Brandon, & Brook

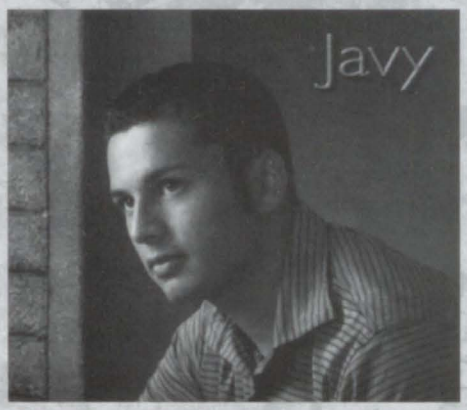

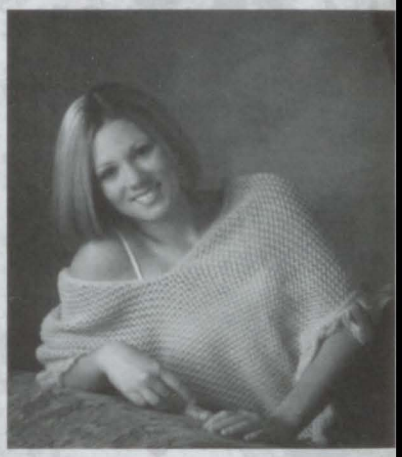

Megan Ashley Helton

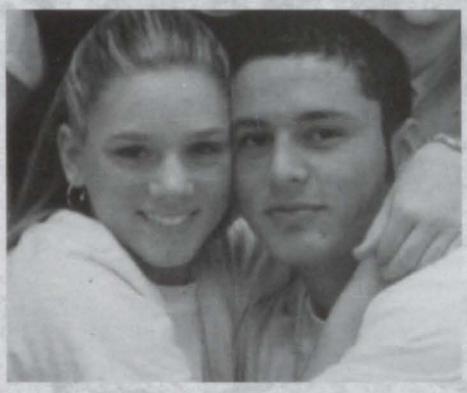

We wish your future will be as happy as the last four years has been for your family. We have enjoyed being part of your life, and the joy you bring to our life is more than words can say. The future is wide open for you and we hope that all your dreams come true.

Love with all our hearts,
Your Family

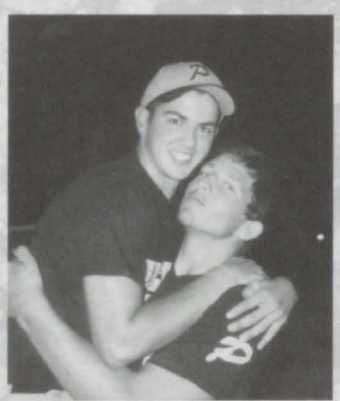

DJ,

WOW! When you ere born weighing a whopping 10 pounds, I thought what a BIG boy! I thought then that you were going to be as big as PAPAW. I have watched you grow into baseball since you were 4 years old playing T-ball; Derek Bowen on the mound and you at first base with my big glove on your little hand. I must say that very few players got to first base. I knew then that God has blessed you with a baseball talent. Son, God has blessed me in so many ways. As my oldest son, you have been a great blessing not just to me, but to your whole family. You have set a great example for your brothers and sisters because of the type of young man you have chosen to be. Your walk with Jesus is highlighted everyday in everything you do, and I couldn't ask for more than that, except maybe a little more time at home. Continue your chosen path and work hard at everything you do. This is what will guide your path and allow you to reach your goals in life, your dreams whatever they may be. Thank you so much for being my son. What a gift! God bless you and may He be with you everywhere you go. We all love you!!
~Sherry, Madison, Chris, Luke, Lindsey, & Cameron.

Chris Paulk

Chris was more than a friend
He was a good friend.
He blessed the lives of many
In too many ways to comprehend.

Those who knew him loved him
For his unselfish style,
His willingness to give of himself
Always going the extra mile.

Chris had a protective nature
When it came to the girls in his life;
He'd let any guy who disrespected them
Know that behavior wasn't right

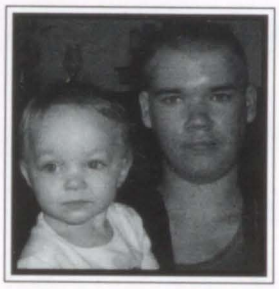

Christopher Michael Paulk
04/20/87 - 03/22/05

Chris was like an angel sent from God,
Loving and caring and bold;
He never allowed life's hardships
To turn his heart bitter or cold.

Goodness, kindness and brotherly love
Will describe Chris' heart.
Although his life on this earth is over,
His memory will not depart.

His life was much too short;
Chris was way too young to die.
How long will it take our hearts to heal?
How long for our tears to dry?

In deepest sympathy for the family and friends of Chris. May God comfort and heal your aching heart.
